WILDFIRE SEASON IS COMING! GET RAINSTREAM™ PROTECTING YOUR COMMUNITY.

RainStream™, the newest tool to help our firefighters protect lives, homes and the environment, is revolutionizing the way we fight wildfires.

The new mobile RainStream™ tower will create rain when and where you need it in minutes. Each 100 foot tall adjustable tower creates a wall of water that will soak an area up to 10 football fields in size.

"If we'd had
RainStream™
units in Jasper,
it would have been
a different outcome."

Born on November 29, 1919, in
Canmore, Alberta, Alex Kaleta
is celebrated for inspiring the
legendary "Hat Trick" during
the 1945-46 NHL season. While
browsing Sammy Taft's hat
store in Toronto, Alex
admired a stylish fedora but
didn't have the funds to buy it. Sammy offered
a deal: if Alex scored three goals against the Maple
Leafs, the hat would be his. That night, Kaleta did
just meet the challenge—he surpassed it, netting
four goals and cementing his legacy into hockey
history as the originator of the "Hat Trick."
A true original from the Bow Valley, Kaleta's story
lives on in every hat thrown onto the ice.

THE CANMORE EAGLES

A badge of grit and determination in the Bow Valley
hockey community, worn by young players chasing
big dreams. Since 1994, it's been the symbol
of Canmore hockey, bringing together fans,
families, and future stars. Those who wear it,
step into a legacy with the potential to etch
their names alongside the valley's finest.
